

Embroidery Classes

in the HUNTER VALLEY with

Susan O'Connor

Although she trained in Fine Arts, Susan has always had a great love for textiles and embroidery in particular. Taught basic stitches as a child by her mother, she has extended her knowledge with research and hands-on experience.

For almost 20 years, she has designed and stitched projects for *Australian Smocking and Embroidery* and *Inspirations* magazines and has just released her second book, *Embroidered Flowers for Elizabeth*.
