

Twinkle, Twinkle

a Christmas Star Ornament

Color & Stitch Layout Guide - Reference Sheet

The color & stitch layout guide (left) indicates which color threads and which stitches to use on each element of the star, working from inside to outside:

A: Center of star: 797 (darkest blue) - 3 strands - beaded cable chain stitch with blue 11/0 beads; straight stitch branches

B: Innermost star shape: 798 (medium-dark blue) - 3 strands - chain stitch foundation; whipped with 800 (lightest blue) - 1 strand

C: Next band out: 799 (medium blue) - 3 strands - beaded cable chain with white 11/0 beads

D: Next band out: 800 (light blue) - 2 strands - stem stitch

E: Outermost band of star: 799 (medium blue) - 3 strands - chain stitch foundation; whipped with 800 (light blue) - 2 strands

F: Rays - filled triangle: 797 (dark blue) - 2 strands - fishbone stitch filling

G: Rays - Curls: 800 (light blue) - 2 strands - stem stitch
